DIAMOND SUITE 70mm TILT AND TURN WINDOW [BEVELLED AND FEATURED]

The Duraflex Tilt and Turn offers an excellent solution for many new build and refurbishment projects. With the larger 70mm frame, the time in making good can be reduced. Security is not compromised either – the Tilt and Turn windows can be fitted with a variety of hardware and locking options, and also conform to BS 7950. With looks that will last, seamless sightlines and ease of installation, this is the professionals' choice.
